WINEMAKER/DISTILLER TASTING NOTES

Made of star anise (found on the evergreen tree in southwest China), a spice that is widely used in Chinese and Indian cuisine and beverages, Averna Sambuca's fresh taste is a result of a unique blend of this special anise and spices.

Sambuca Citrus is an innovative twist on the traditional Sambuca, featuring citrus fruit flavoring. The star anise is paired with tangy fruits to create an intense taste. It is typically served neat or over ice as a digestivo, but mixologists have begun realizing its potential in cocktails.

In a blind consumer taste test conducted in Italy, Averna Sambuca took first place for the best aroma and taste.
